Summit Roadmap for Groups & Schools

The World Education Summit meets all of your professional learning needs - access to 4 day live Summit event followed by 1 year's access to a wealth of content and resource on a bespoke learning platform.

Post Summit **Live Summit** Beyond **Pre-Summit Summit Central**

Plan for Impact

Align

Match Summit themes to your school priorities.

Plan

Plan and use the Summit themes for the year ahead to maximise impact and support turnaround of schools

Build a learning programme and timeline for running particular content sessions.

Impact

What will success look like for all schools?

What would be different / better?

Identify Access

All In

Everyone can attend the live Summit and access all content and resource for a whole year. Map session coverage using the Summit Matrix.

Senior Leadership Team*

Only SLT have access and attend the live Summit.

Plan how to use materials as part of CPD plan for the year ahead - videos can be played to groups of staff.

*Note only those with tickets will be able to access to Summit Central

Key Drivers*

Identify key drivers who will attend the live Summit and will support and lead CPD for the year - videos can be played to groups of staff.

*Note only those with tickets will be able to access to Summit Central, however videos can be played to groups of staff.

Inspire, Learn & Apply

Inspire

4 days to be inspired - map your route in advance or decide on the day:

Engage with over 400 Speakers and innovative educators from around the world.

Identify the latest approaches from around the world to lead change and improvement.

Learn

The most current and globally significant themes of education underpin every stage at the Summit.

Discover the research and theory from those that have lived it and learn how to embed it in your school.

Discuss

The biggest names in education discuss the biggest ideas and answer your questions in exciting panel line-ups.

Explore

10 stages offering a diverse line-up of speakers, tackling a wealth of issues facing everyone in education.

Pathways for every background and experience level from teaching assistants to senior leaders.

Practice

Activities, high impact practice and a wealth of resources that can be taken back and practically implemented in the classroom.

Network

Opportunities to network with educators globally. This is just the start - follow up networking events available post Summit.

Make the Change

Engage

Instant access to global best practice for the whole year. Every session, all content and resource from the Summit is available on demand to enable you to deliver and embed at a pace that suits you.

Share

Share the wealth of knowledge, content and new ideas discovered.

Implementation

- Follow your plan
- Monitor engagement
- Use the sessions as a catalyst for change and improvement
 - Enjoy the research
- Embed in classrooms

Create a Legacy of Learning

Having reinvigorated and inspired your staff - reflect, unpack, try and impact.

Celebrate **Impact**

Celebrate Impact

Having reinvigorated and inspired your staff what is the impact?

Showcase

One year on, your school could showcase the impact on learning along with internal expertise.

Summit Roadmap for Groups & Schools

Here's a few ideas...

Coffee Break

Watch, enjoy, reflect and apply.

Lunch & Learn

Choose a theme or session that resonates with your passion / interest / priority.

All staff access - watch the session; discuss, debate and apply.

Key Member access only – set up a large screen / virtual meeting; show chosen session then in groups discuss, debate, apply.

Book Club

If everyone has access - choose 3 themes to focus on over the year.

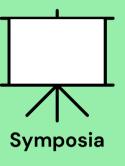

Ask colleagues to watch in advance, the come together to debate, unpack and apply to context and consider how to use them.

Markethall

Set up stalls / areas for each theme / session / priority, each managed by a key person.

Watch the session, then discuss, debate and apply. Ciruclate onto next theme / area.

Choose a theme / session that resonates with passion / priority

Watch the session, then in groups discuss, debate and apply.
